

Figure Drawing: NuPastel

Saturdays from 9:30am-12:30pm in South Salt Lake

Instructors: Bruce Robertson & Shelley Young

Understanding anatomical structure is foundational to accurate figure drawing. We will study the superficial musculature and bone structure of the body while drawing from live models. This class is a must for all artists seeking greater confidence in their drawing skill. All Skill levels are welcome.

Required Supplies:

18x24 Toned Paper pad (tan or gray)

24-48 color NuPastel set

Charcoal pencil

White Charcoal pencil

Sanding block or 100 grit sandpaper

Kneaded eraser

White plastic eraser
