

# ADULT CLASSES

(Ages 19+)

## Foundation Drawing: Portraits

MONDAYS -- 12:30 - 2:30 PM

Come improve your drawing skill set, regardless of your current ability, beginner to advanced. Develop your ability to render through observation, understanding light and shadow, and principles of design. This class will focus on portraiture in various drawing media. This class will include weekly sketchbook assignments.

## Pottery

MONDAYS -- 4:30-6:30

Learn the basics of throwing on the wheel in this popular medium, where you will create your own ceramic pieces and fire them in our kiln. This class will also cover some hand building skills including slab building, and using stamps for decoration. There are limited spots available. (TEEN/ADULT)

## Watercolor

WEDNESDAYS – 9:30 - 11:30 AM, 12:00-2:00 PM, or 6:30-8:30 PM.

Have you ever wanted to paint with watercolors but thought the medium was too difficult? Are you looking for tricks to help you paint more creatively? Do you wish you could just make time to play with paint? If you have said “yes” to any of these questions, this class is for you. We will focus on both traditional and non-traditional ways to help you develop your artistic voice. Each class will explore a specific technique. Beginning and intermediate painters are welcome.

Please note there are three class options:

Morning: WEDNESDAYS – 9:30 - 11:30 AM — See supply list for this class.

Afternoon: WEDNESDAYS – 12:00 - 2:00 PM — See supply list for this class.

Evening: WEDNESDAYS – 6:30 - 8:30 PM — See supply list for this class.

SPRING 2019

## Oil Painting

THURSDAYS -- 6:30 - 8:30 pm

Join us for this fun and social class! We will delve deep into this traditional medium and have a blast painting landscapes, still lifes, and portraits. Beginning and intermediate painters are welcome.

## Figure Drawing: A Focus on Anatomy

SATURDAYS— 9:30 - 12:30 PM

Drawing the human form is the benchmark of drawing. This class will focus on the importance of understanding anatomy to decipher what is being drawn. Students will become familiar with anatomical vocabulary and structure. Lessons will give emphasis to different skeletal/muscle groups, but we will not be drawing isolated bones and muscles. Students will be given reference materials each week and should plan to study and practice drawing in their sketchbooks throughout the semester. Students will work primarily in charcoal and NuPastel, please refer to the supply list for exact materials.
